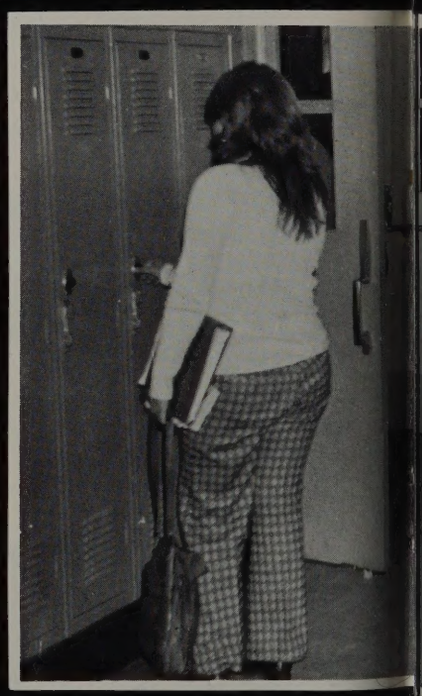
Good times should be made to last.
Haste, that notorious enemy of memories,
turns awareness into forgetfulness
And, momentous experiences are over
almost before they've begun.

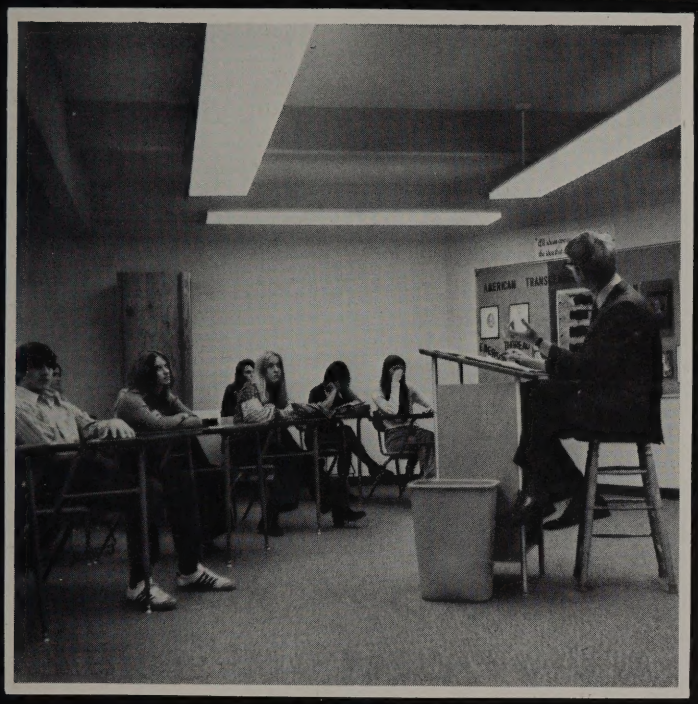
Fun times, unique times
become lost times....
unless they achieve immortality
between the covers of a book.
Some say yearbooks can make
time stand still.
They can.
The 1971-72 staff hopes that
this SIMBA does just this.

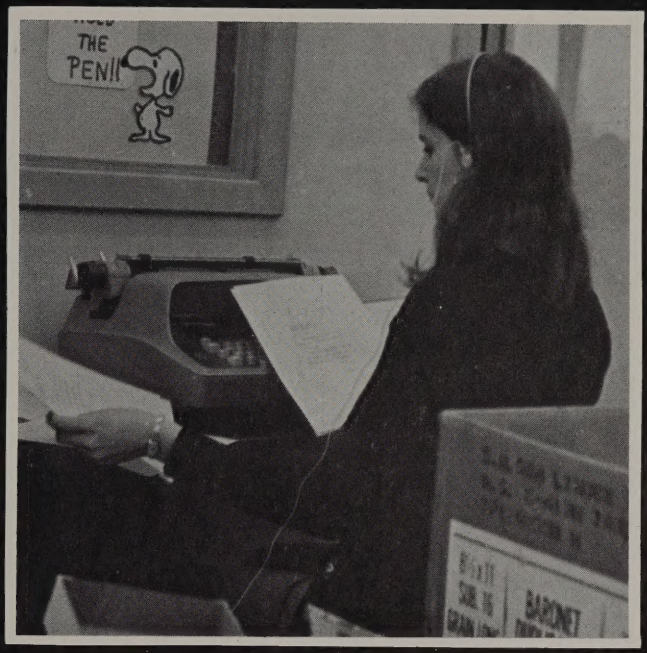
SIMBA 1972

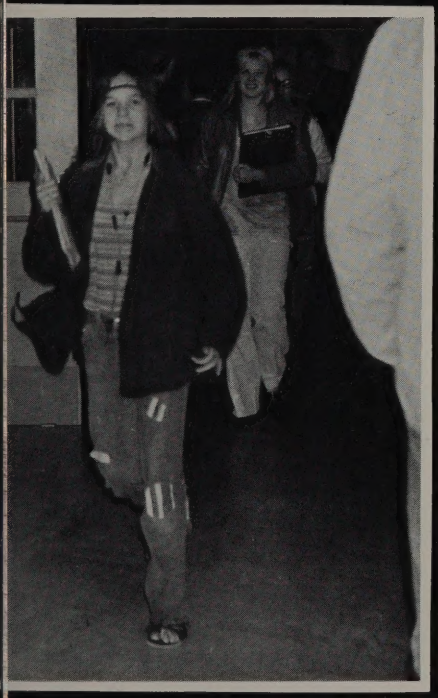
Learning not only to improve
but also to create,
we become less enchanted
with trivial things and more
involved with life.

Lynden High School
Lynden, Washington
Volume LXXII

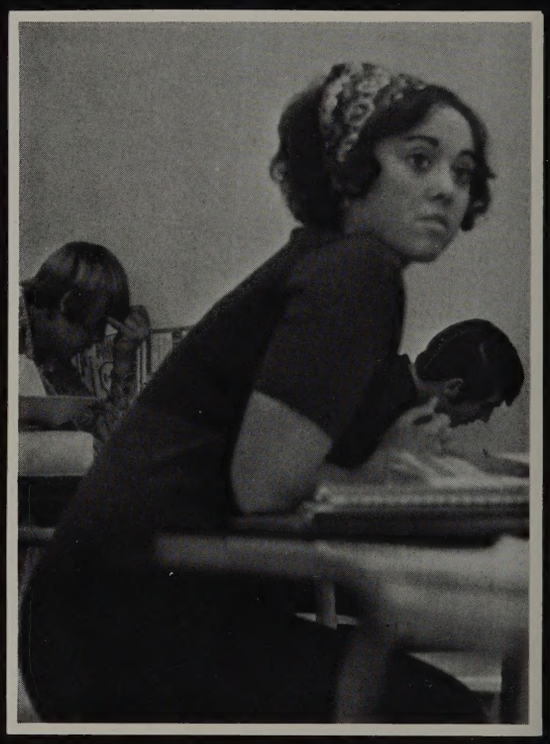


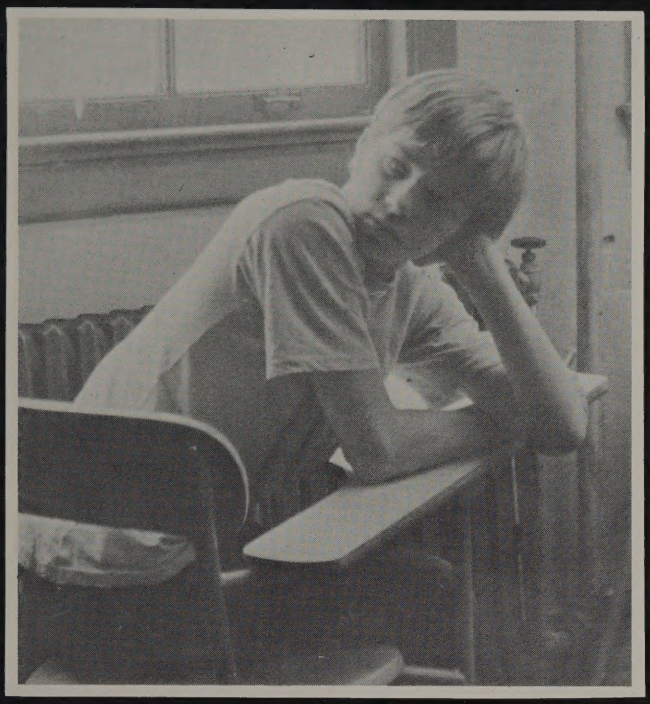


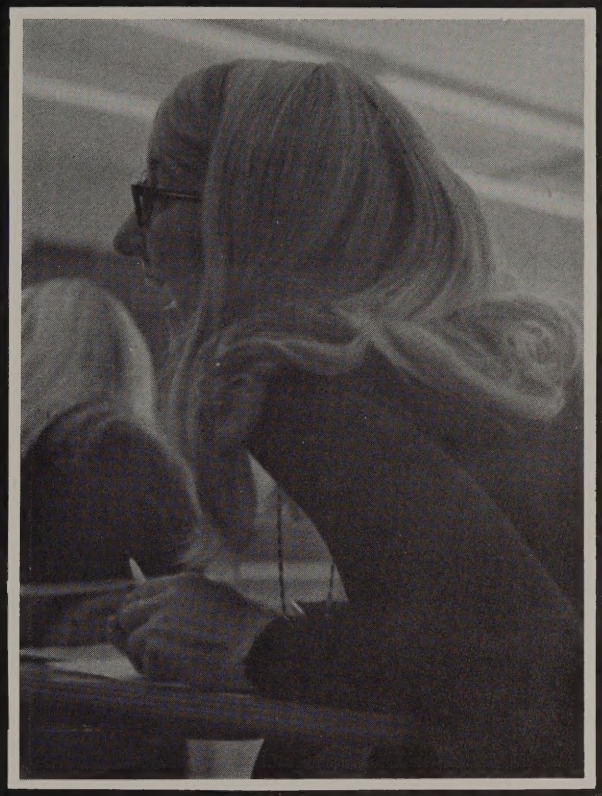




I got tired of listening
to people talk about the
problems of today, so I
decided to get involved...
before it's too late.







I searched...
and found that man
is not whole unless
he is in tune with
himself.

..a litany of voices rising,
...pairs of hands
reaching out to help,
...people doing
things together---
---this is just a beginning.

Run Boys, Run!

Coach Snell watches as the boys get ready to run.

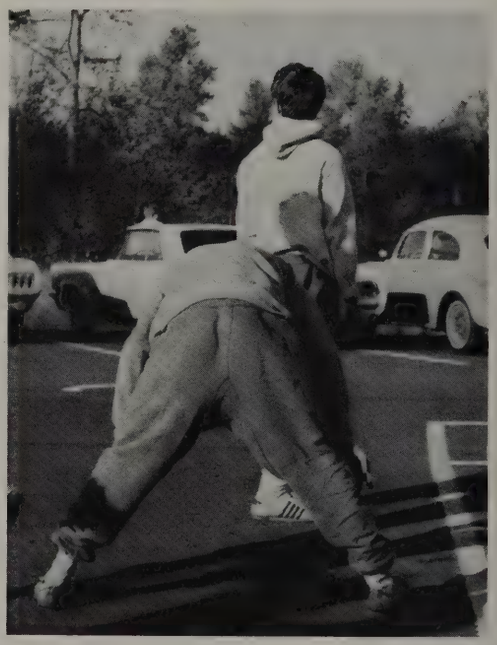
Cross Country is an activity at Lynden which many students know nothing about. It is quite a new sport at Lynden, so the fall of 1971 was a building year for the Cross Country Team.

There was a total of six members on the team, under the direction of Coach Marv Snell. They were Rich Kayser, Dave Lange, Frank Pullar, Ken Lange, Dave Holweger, and Dan Gentry.

The entire team participated in the District Meet at Skagit Valley College, where Dave Lange placed third. He then went on to place thirty-fifth in the State Meet. Dave Lang received the Inspirational Award, for the second consecutive year.

Coach and the boys relax in the sun.

Dave Holweger, Dan Gentry, and the rest of the team wait for the meet to start.



Isn't that Dave Lange?

LIONS FIT TO BE TIED

In 1971 the Lynden Lions served notice to their fans and opponents they were on their way back to the top. The big cats posted their best record in four years finishing with 2 wins, 3 losses and four ties. In League play the Lions ended up behind Nooksack, Blaine and Lynden Christian who finished in a 3-way tie for first. The four ties must be some kind of record and it kept the league standing in a move right up to the last ball game of the season.

The Lynden move up the ladder from last place in 1970 was aided by a great improvement on both offense and defense in 1971. During the 1970 season the Lions scored only 34 points to a whopping 219 for their opponents. This year the Lions roared back scoring 142 points and cut their rivals output to 164.

The Lions got off to a slow start and after four games their record was unimpressive--0 wins, 1 tie and 3 losses. At this point the team began to jell and roared down the homestretch winning 2 and tying 3 in their last 5 games. At the same time the aroused Lions outscored their opponents 96 to 78 points.

Leading the Lions on defense were seniors Ken Bovenkamp, Tim Horat, Craig Collings, Ron Lankhaar, Don Kleindel, Al Glass, Rick VanderVeen and Rod Visser. Juniors on the stop unit were Rick Nelson, Ron Bonsen, Greg Helgath and Stan Jones. The offense, which hasn't been kept off the scoreboard in their last ten games was explosive and could score from any place on the field. Leaders here were Seniors Craig Collings, Gary Shelly, Efren Acode, Ron Lankhaar, Al Glass, Tim Horat, Dan Nieuwsma, Byron Vermuelen, and Don Kleindel. Juniors and Sophomores who made a large contribution to the potent Lion offense were Barry Honcoop, Rick Nelson, Scott Polinder, Rich Waldemar and Mike DeCoria. Two offensive players who were hampered by injuries all year were Terry Senger and Bill Durnan. They had been counted on heavily before injuries cut their effectiveness early in the season.

The most pleasant surprise of the season was Craig Collings who blossomed into a great all-around performer for the Lions. He led the team in scoring with 10 touchdowns and by the end of the season was a constant threat to go all the way anytime he touched the football. Craig was 2nd in total offense as well as its top scorer. Sophomore Mike DeCoria was a bright spot for the Lions at quarterback. He completed 73 of 135 passes for 53% and 900 yards, in the process throwing 10 touchdown passes. He was the total offense leader for the Lions with a net of 823 yds. for the year.

A special thanks to our cheerleaders. We think they were great!

The Junior Varsity was undefeated. We'll see them next year on the Varsity team.

Ron completes a pass.

The Senior Class Presents

This year, the senior class presented Arsenic and Old Lace by Joseph Kesseling, with all the finese of a professional team of actors. The play was a classical comedy written in the 1940's. Two kindly old sisters, out of the goodness of their hearts, cure the loneliness of old men by serving them wine with "just a pinch of arsenic."

The remains of the old men are interred by the sisters' nephew, Teddy, in the basement of their Victorian mansion, which he thinks is the Panama Canal.

Taking the lead parts were Doug Hyldahl, Denner Steenmeyer, Loch Clark, Linda Knutsen, Pat Zuidmeer and Bill Robins.

While eating hot dogs and beans, Joe Mc Kernan directed the play. The cast describes him as "Concerned." "Fun to be with." "Funny." "A riot to work with." "A good actor himself." "Knows how to get results." "Makes the job of learning lines and long hours fun." "Stern director...but he knew what he was doing!" "Nervous." "Goof-off!" "Excited, upset, and MOODY!" "There were good, bad, and ugly times." "He called us wambats?!?"

A tremendous amount of work was put forth for the production. The cast practiced over 90 long, hard, hours. All accounted for the senior play was a big success.

MERRY CHRISTM

We wish you a merry Christmas. We wish you a merry Christmas and a happy new Year.

AS

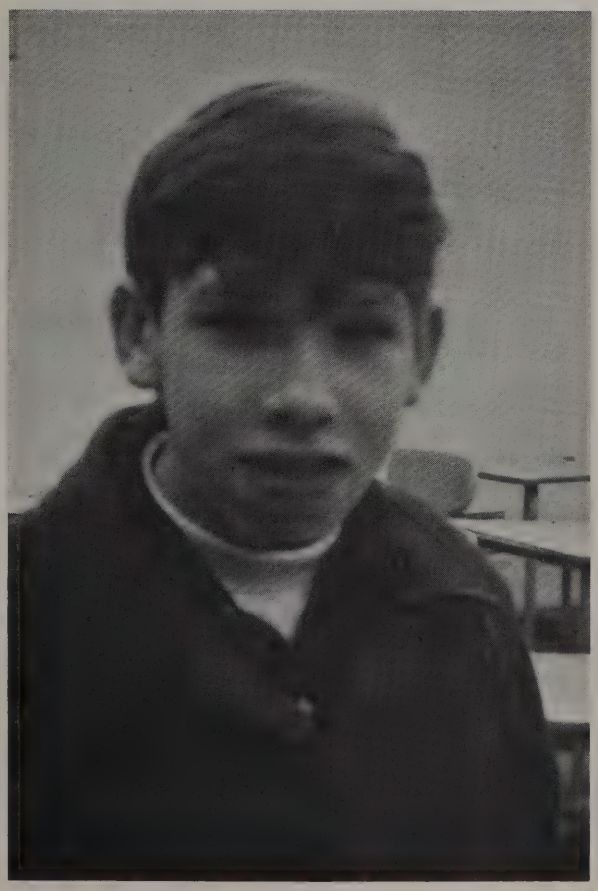
"The Place to be happy is here.

The time to be happy is now.

The way to be happy is to help others so."

Miles and Miles

Of Smiles



A smile costs nothing, but gives much. It enriches those who receive, without making pooer those who give. It takes but a moment, but the memory of it sometimes lasts forever. None is so rich or mighty that he gets along without it and none is so poor but that he can be made rich by it. A smile creates happiness in the home, fosters good will in business and is the countersign of friendship. It brings rest to the weary, cheer to the discouraged, sunshine to the sad, and is nature's best antidote for trouble. Yet it cannot be bought, begged, borrowed or stolen for it is something that is of no value to anyone until it is given away. Some people are too tired to give you a smile; give them one of yours, as none needs a smile so much as he who has no more to give.

Sports Become Important

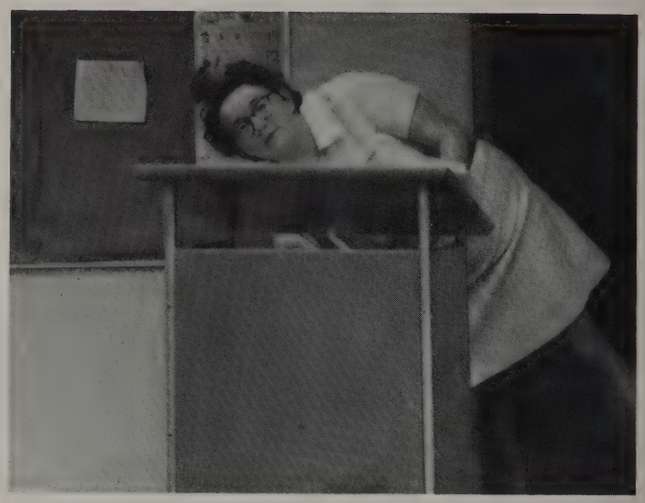
Sophomores returned to school in the fall, excited at the idea of no longer being freshmen. They started out the year by winning First place in the Homecoming float competition.

The sophomores really began to feel a sense of belonging and participation this year, as members of their class palyed a real part in both J.V. and Varsity sports, Cheerleading, and various clubs. Throughout the entire football and basketball seasons they displayed a pep section to be proud of. As a result, the sophomores won the spirit stick more often than any other class at LHS.

The sophomore class of '74' looks forward with anticipation to the coming year when they are finally promoted to their junior year, and become known as upperclassmen.

Mrs. Clegg, Algebra, Geometry, and Trigonometry teacher, is always ready to help students.

CLASS OFFICERS: Secretary Jill Ten Kley, Treasurer Barb Vermeulen, President Duane Shelly, and Vice-president Terry De Koster.



Mrs. Thomas, English teacher.

RIGHT: Mr. Vander-Ploeg helps students with Mechanical Drawing. Another of his classes is Hobbyshop, a new all-time favorite at Lynden High.

Active FFA Produces Good Year

Skill was especially proven this year in contests. The Dairy Judging Team brought home First place banners from every contest that was entered, making this their best year ever. Crops and Potato Judgind did very well. Out of seven contests, first place was won five times by Lynden.

As well as participating in Judging Contests, the Lynden Chapter co-operated with the City Parks Department in landscaping the area between the main building and the English Department. Other activities were selling fire extinguishers and Easter lilies to raise funds.

Martha Ortis will be remembered as the first girl member in the previously all male organization. A real boost for the Women's lib!

Cheerleaders Chant "The Lions

The cheerleaders at Lynden this year worked long and hard before school started. They practiced many hours in the summer and were excited to bring back to LHS an honorable mention, three outstanding ribbons and a trophy. They cheered the lions on to victory in all sports! Everyone at Lynden thought our cheerleaders did a terrific job, working on assemblies, keeping the pep stick under control, and filling people with spirit! All agreed our cheerleaders did a GREAT job!!

Our Spirit filled cheerleaders-1972!!!

KRIS!

. . .,Are Out. . ., To Win!!

To give of yourself...
to be as one,
To live your joy, your sadness,
your laughter and tears.
To Have the once in a lifetime memories
of fun, of games, of being together.
To be a cheerleader,
...a wonderful experience!

"BASKETBALL IS THE GAME

Basketball Highlights of 1972

The 1971-72 varsity basketball team ended the season with a fine 19 win, 6 loss record. This team had many moments of excellent play--and quarters where we did not perform as well as we would have liked to.

The high point on our season was a fine team effort in winning the Northwest District Tournament Championship at Mt. Vernon. This was the sixth time a Lynden team has won this Tournament. Then disappointment in losing out in the big state meet in Tacoma.

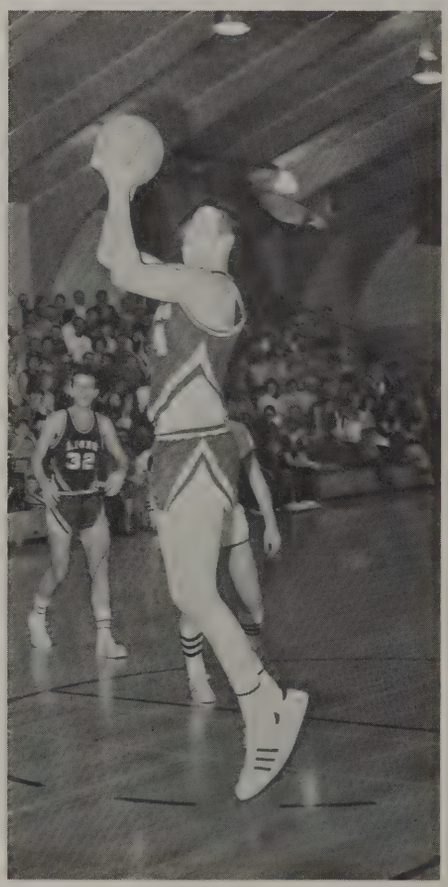
Looking back over the season, this team scored 1,827 points in one seasons play. ...the highest scoring team in Lynden High school history. Twice they scored over the century mark, scoring 102 points in one game and 115 points in another. A memorable game, was the comeback they made in the District Tournament, after being behind Lakeside 39-23 at halftime, and coming on to win a victory that will long be remembered by Lynden fans.

Lynden High School loses some very outstanding seniors, some that have played three years of varsity ball. THEY WILL BE MISSED!! The seven seniors graduating left many fine records for others to follow. Mike Maberry broke the school scoring record, 1233 points in three years of varsity ball. Named to All District Team for the third consecutive year. Elected co-captain and co-inspirational winner by teammates. Randy Jorissen was and excellent rebounder and defensive player, played three years of varsity ball. Elected co-captain at the end of the season. Rob Visser was Lynden's top rebounder and Foul Shooter. He played a vital role in all Lynden's victories. Assigned to opponents as top big man. Ed McNeil played consistent ball all season, good scorer and rebounder. Named winner of sportsmanship award by teammates. Craig Collings-started several games and always contibuted to the team effort and victory. Larry King-Mr. "Hustle" was our 6th man who always got the job done. Elected co-inspirational winner also. Gary Shelly-greatest "thief" in L.H.S. history. Noted for stealing the ball. Fine team player also with three years of varsity play.

Although we lose many outstanding players-I am sure with Mr. DeKoster's fine J.V. team having an outstanding record of 18 wins 2 losses plus players from Mr. De Valoises Junior High team, the Lions will again field a fine team for 1972-73 basketball season.

Coach Jake Maberry

THE LYNDEN LIONS!!!



Ed McNeil shoots a jumper.

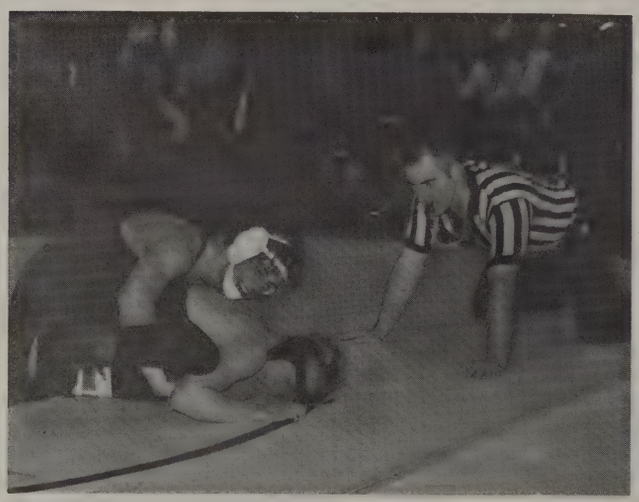
Wrestlers Place in Regionals,

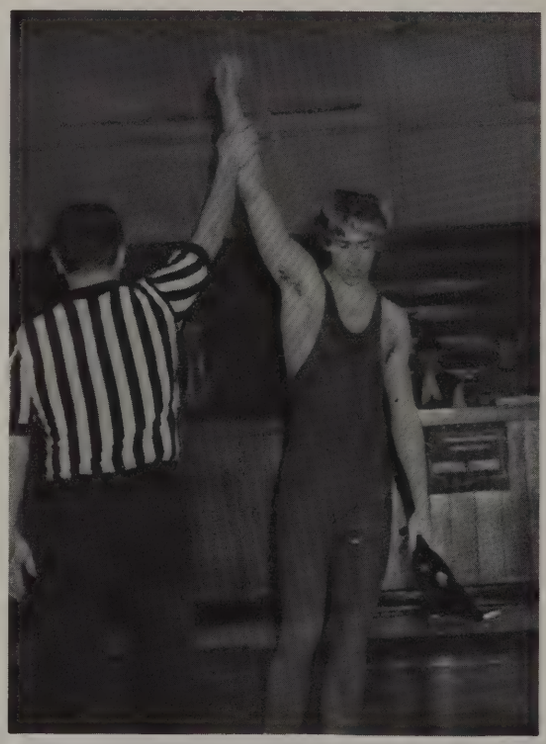
In only our third year of wrestling, our record totaled seven wins, five losses, and one tie. We placed third in our Sub-district, fourth in our district, and seventh in our Regionals. This was the first year that Lynden went to the State Tournament, and we took four players there this year. One of these placed fifth in the State Tournament. Even though we never had all weight classes filled, usually only ten out of a possible twelve, we still won the majority of our matches. The boys showed tremendous individual and team effort. We never lost to a team who had the same number of wrestlers as we did. Outstanding wrestlers were Frank Pullar, Eric Johnson, Don Kleindel, Stan Jones, Al Glass, and Rich Waldemar. The rest of the team included Jim Buizer, Dave Jaime, Barry Swinburnson, Mark Weeks, Rich Kayser, Bill Jones, Terry Senger, Dave Weidkamp, and Alan Yoder. Everyone on the team contributed to the best of his ability.

At the all-sports banquet, Al Glass was given the Captain's Award, Frank Pullar was voted the outstanding wrestler, Dave Jaime was given the Inspirational Award, and Eric Johnson was considered the most improved wrestler.

Mr. Lane; pre-algebra, algebra, business math, physics.



Rich Waldemar gets his opponent in a hold.



Referee raises Don Kleindel's arm to signify his victory.

Get 'em

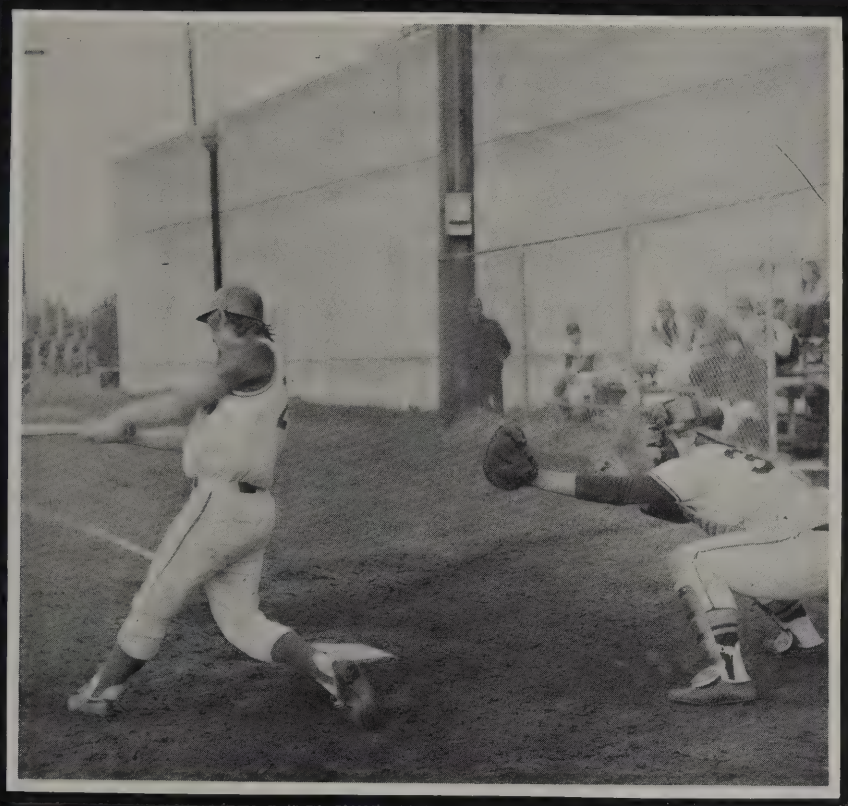
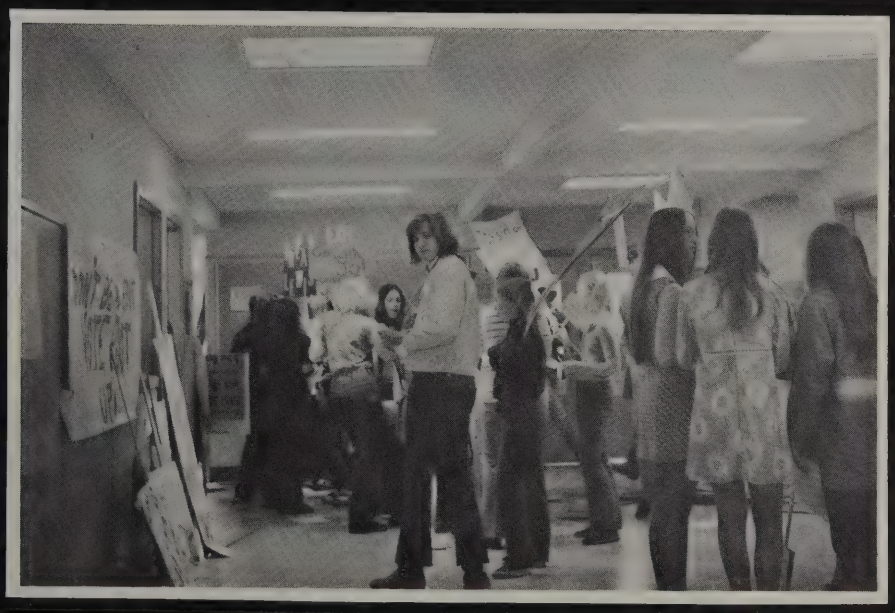
SPRING





Seniors

Students gather to hear campaign speeches.

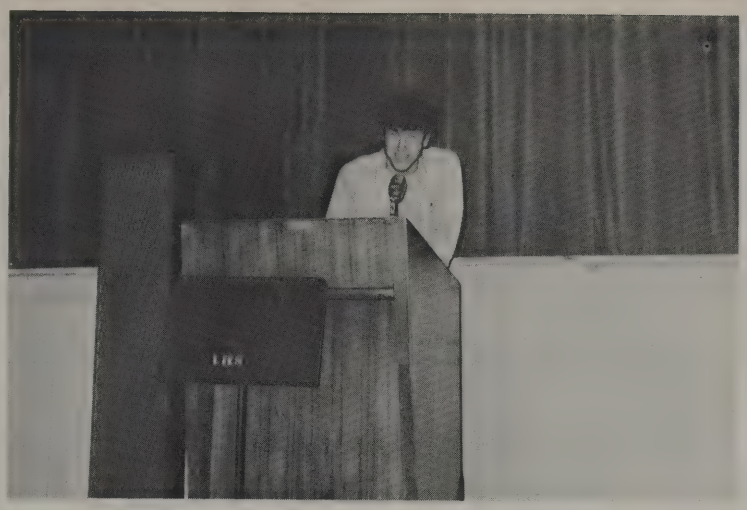
Election week was filled with excitement and anticipation. Posters filled the halls, and button clad supporters were seen recruiting voters. For the first time, primary elections were held. Candidates running for the office of President were Neva Powers, Barry Honcoop, and Jeff Barker; Vice-President: Rick Sundstrom and Rae McCracken; Secretary: JoAnn Noteboom and Lori Holweger; Treasurer: Sally Shea and Debby Lewis. After what seemed hours of suspense, the new officers were announced. Jeff Barker will be the incoming President, Rae McCracken, Vice-President; Lori Holweger, Secretary; and Debby Lewis, Treasurer.

"Annie Oakley" Smith takes time to support her candidate.

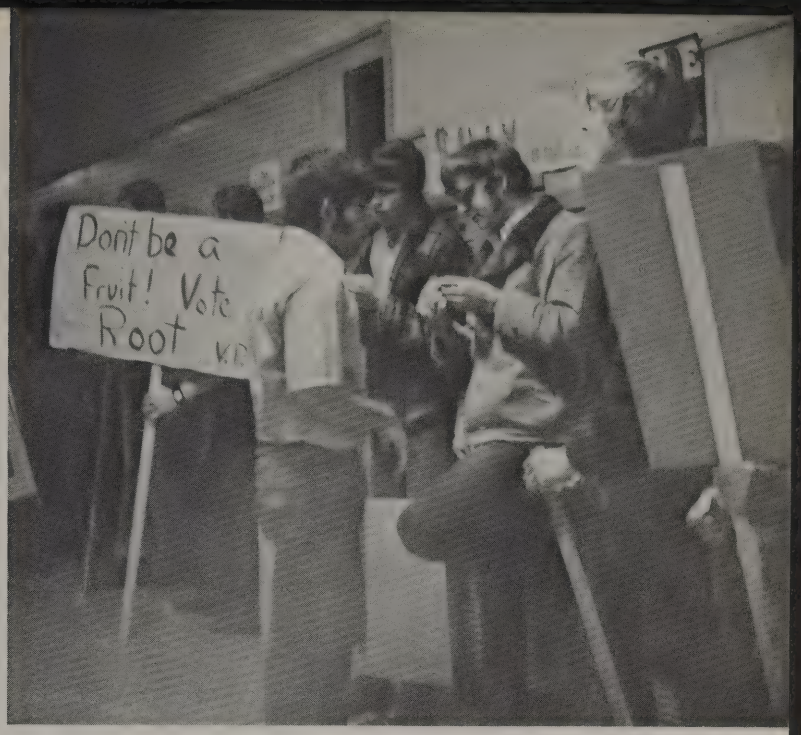
Jeff Barker delivers his campaign speech.

Jenny tells of Neva's qualifications.

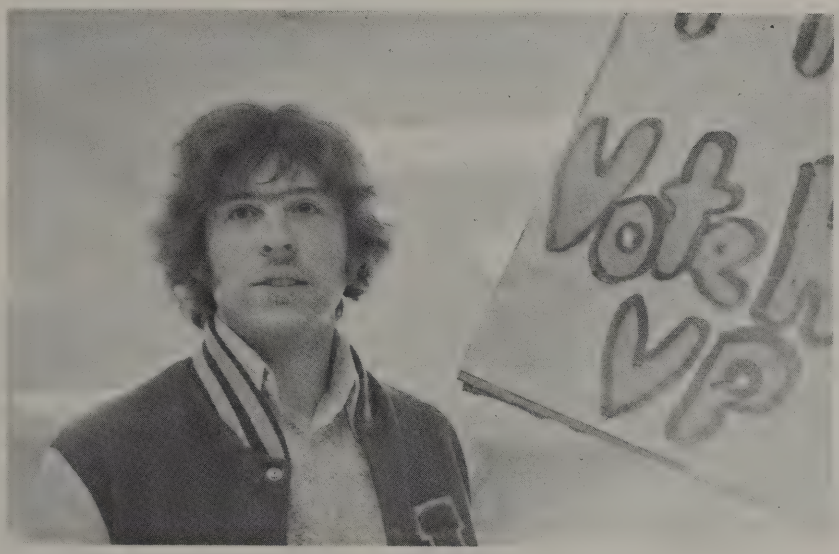
Students show their support for A.S.B. nominees.



"The devil made me do it!"



UPPER RIGHT: Senior boys await the final announcement.



"Don't be a fruit, vote Root!"

Newly elected officers take out time for a picture.

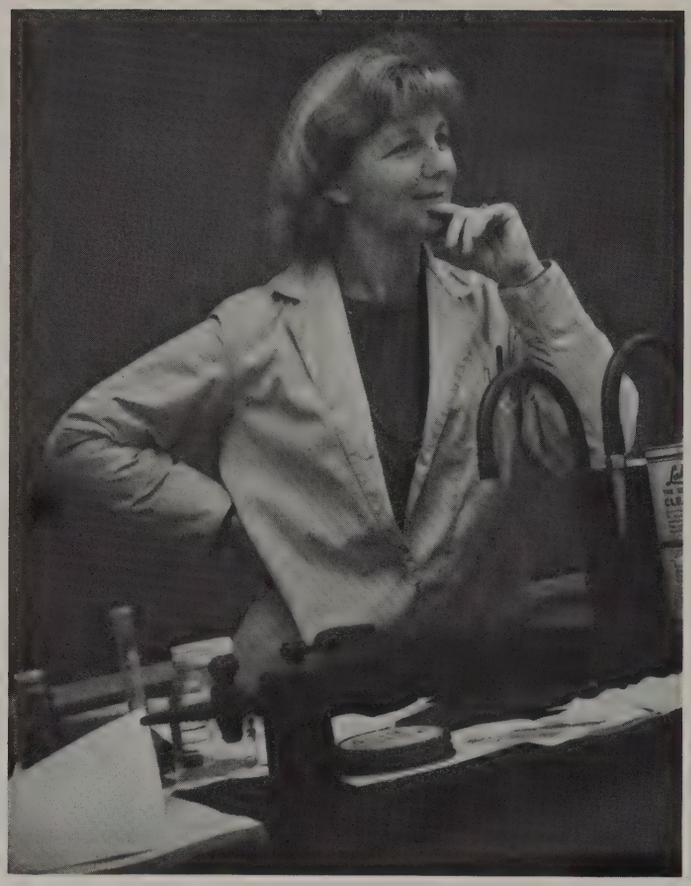
"HERE COMES THE SUN!"



Mrs. Cline-biology, ad. biology, girls' club advisor.

Linda Cogdahl and Karen Wagter are hosts for the mothers' tea.

Theme for Mothers' Tea

Mrs. Riley-girls' P.E., health, world history.

One little sparkle of sunshine around our school this past year has been the girls' club. They worked hard planning the homecoming assembly and mothers' tea. Other events were all successful too due to the efforts of Elaine Madeja and the girls' club council.

Not many people realize how much work go into these school functions until they have an office and must do the work themselves.

A lot of kids in our school work hard to make the school fun and to make important events special.

The officers of girls' club were Elaine Madeja president, Linda Noteboom vice president, Ellen Enfield secretary and Melanie Bajema treasurer. The council consisted of Becky Nieuwendorp, Lori Holweger, Cheryl Ramey, Patty Vannice, Nancy Koning, Janet Noteboom, Dalene Price, Tanna Provias, and Debbie Assink.

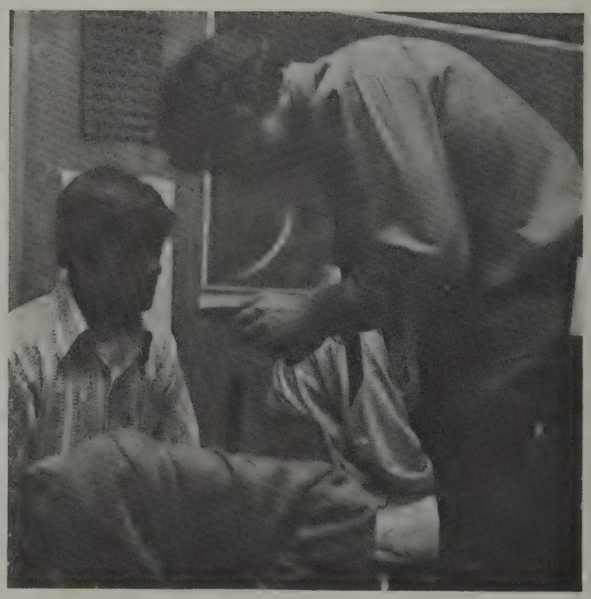
These girls and students like them are the ones that make the school shine. They make it a place you like to be!!

Mrs. Top-home economics.

The wedding party modeled at the mothers' tea exits.

Our Band is

The band, with trio Lock Clark, Wayne Lien, & Steve Regan, perform at the Spring Concert.



Number 1

GARY EVANS directs Mass Choir as they sing their final song for the Spring Concert.

Janice Crabtree & Karen James put their instruments away after a game at the State Tournament.

Lynden High School proudly presents..... their band! This was the attitude shown toward the band following the all-county contest. Competing against double A school bands that were three or four times larger than our own band, and against schools our own size that also had larger bands, Lynden High's band of 1971-72 beat them all---and won-six hundred and fifty dollars as the prize. Everyone was proud of them---including the director, Gary Evans. He couldn't sleep the whole night, as he was so excited. Lynden Businessmen brought doughnuts and pop to band class the next day and the entire band had a party.

The band played at the home football and basketball games and also at the district and state basketball tournaments. They rented a house in Tacoma for the State Tournament, and played for several other schools' games besides our own. Lynden's motto at the tourneys was "Our band is number 1."

Several band members and Mr. Evans improved the accoustics in the music room by glueing egg cartons to the walls and ceiling. This gave it a rustic effect which drew quite a bit of publicity!

Together with the high school chorus, Junior High chorus and band, and the grade school bands, they put on a Winter Concert, Spring Concert, and a Pops Concert, the latter being the final performance of the music department for the school year of 1971-72.

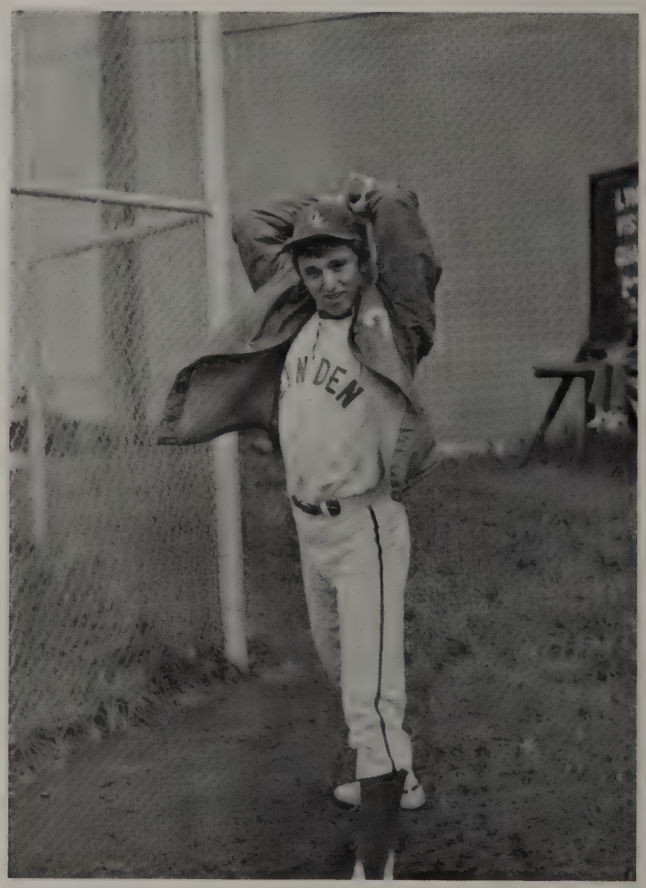
Halfway through the Victoria Parade, the band took up Cross-Country antics, and triple-timed the remainder of the parade.

We are very proud of the entire music department, and would like to thank Gary Evans and Holly Bertrand for giving so much of their time so that our school will have a name to be proud of!

BASEBALL TEAM--FRONT ROW: Gary Shelly, Mike Maberry, Craig Collings, Don Kleindel, Terry Senger, Mike Bailey, Albert Glass. BACK ROW: Rick Sundstrom, Marty Maberry, Ned VanderPloeg, Randy VanderVeen, Terry DeKoster, Duane Shelly, Barry Honcoop, Coach Rollie DeKoster.

BASEBALL

The Lynden team, led by seven seniors, swept through the Whatcom County League with a 12-0 season. Led by the outstanding pitching of Gary Shelly, the Lions won the title for the second year in a row. The team's 2-year record was 24-0. This is the best record by any team in Whatcom County Baseball history. The clutch playing by Craig Collings allowed the Lions to win several close ball games in the later half of the season. Don Kliendel, as a catcher, did not allow anyone to steal a base all season. Other seniors on the team were Mike Bailey, Mike Maberry, Terry Senger, and Al Glass. Mike Maberry and Gary Shelley were elected to play in the All-Star game, and represented Lynden very well. The Lions will be back to defend their title next year and will be led by Barry Honcoop, Terry DeKoster, Marty Maberry, and strong Jayvee and Freshmen teams.



Feelin' groovy, just had my Cheerios!

"Strike One!"

"Batter Up!"

Don Kleindel takes a mighty swing.

Oh-Oh-Oh!

Go Terry, Go!

RIGHT: Craig Collings baffles a Mt. Baker player with a curve ball.

LOWER: Gary Shelly winds up.

RIGHT CENTER: A Mt. Baker player takes a good swing at the ball.

RIGHT: Everybody ready out there?

ABOVE: Lynden players await their turn at bat.

RIGHT: "Right across, Craig!"

Randy Honcoop pole vaulting.

Our track team placed second in the county, second in sub-district, and fourth in the district meet.

Track is a sport that requires considerable work on the part of every individual. Its rewards come in both personal and team satisfaction. As for a sport, it requires hard work of all to do good as a team--a real team effort. I might say that this has been the best team we have had in a number of years. Many new records have been set. Dave Lange set a new record in the 2 mile; Rod Visser set a new record of 42'6" in the triple jump; and Greg Helgath, Steve Regan, Mark Hinton, and Brent Francisco set a new record of 1:37.1 in the 880 yard relay.

Randy Workentine and Barry Swinburnson.

Brent Francisco and Steve Regan.

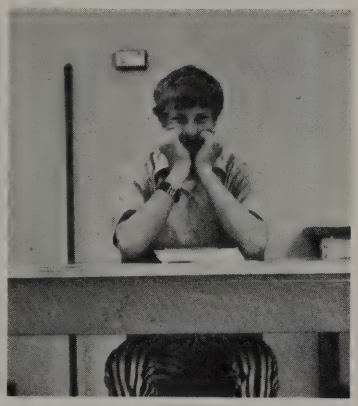
School



Honor Student's Trip

They went that-a-way.

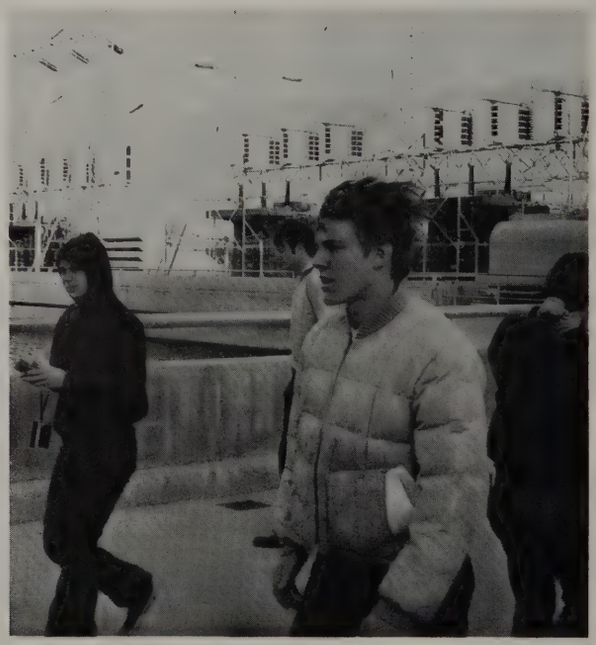
What, another lecture?

Recipe for fun

38 kids and personal belongings
3 worn out chaperones
8 ice chests
8 boxes of food
Plenty of peanut butter and bread.
Throw in good times.
16 bags of marshmallows for added fun.
Don't forget the gas stations.

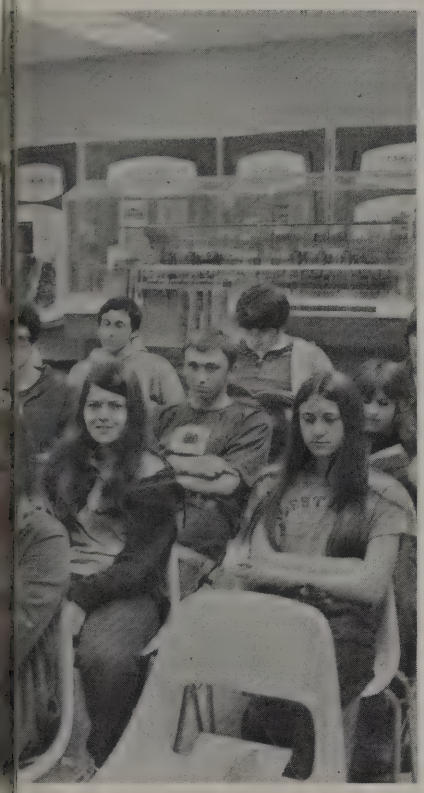
Put this all together for five days and drive all over the state. You now have the Honor Student's Tour of Washington State.

P.S. Don't forget to throw in one old faithful bus number 9.



Blowin' in the wind.

Proves Exciting



Midnight basketball.

Ye old watering hole.

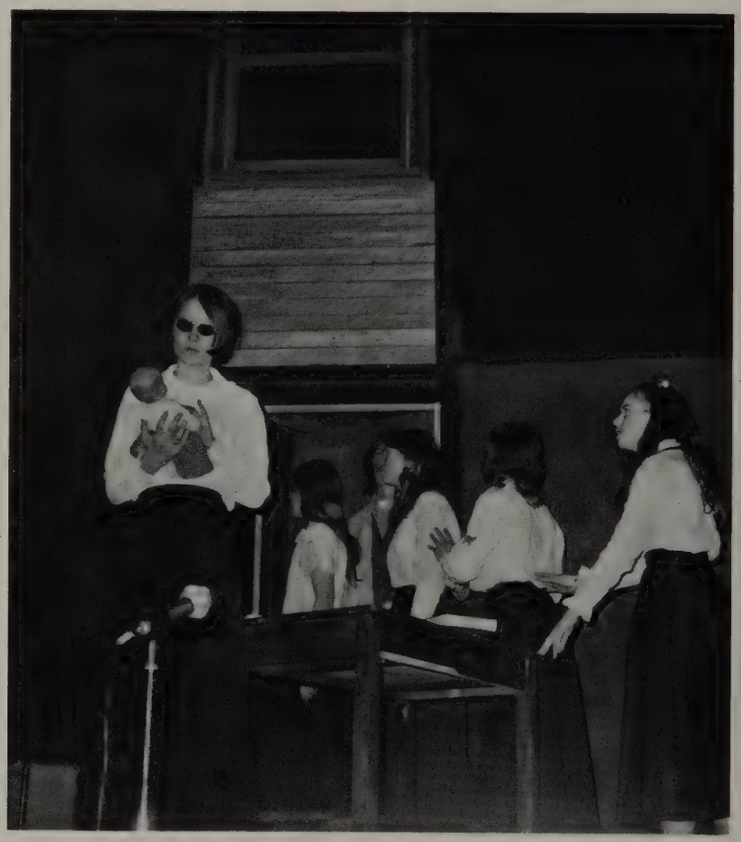
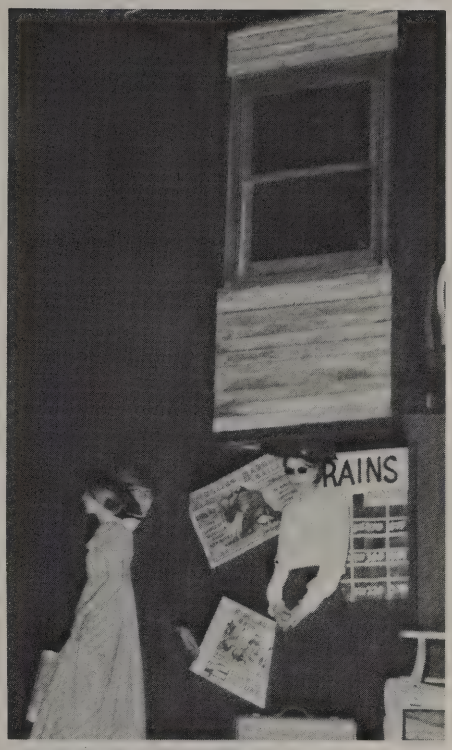
Shelly Rutgers



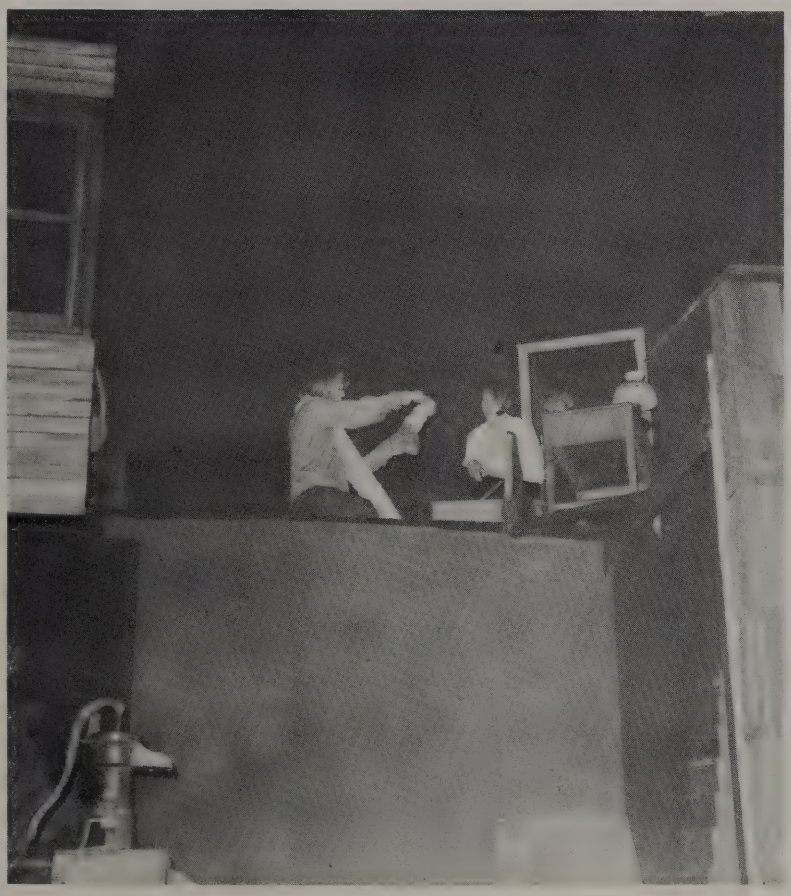
"The Miracle Worker."

"How old are you Annie?"



"Twenty?!...come along now"

"She's NOT eating now!!!"



This three act play by William Gibson is a true story based on the life of Helen Keller.

The play brought out some fine talent never seen before in the junior class. Sue Springer did a fantastic job of acting. She played the very difficult role of Helen Keller. Being blind, deaf, and mute Sue did a fine job.

Ellen Enfield portrayed Annie Sullivan. Ellen worked many long, hard hours as did all the play cast members and the effect of the play was well worth all the time spent.

Bill Durnan, Kaydean Hoober, Dianna Rdesinski and Warren Lowe had outstanding performances also. All the rest of the play-cast members contributed to the play to make it receive a standing ovation and it thoroughly deserved one.

Money from the play helped the junior class budget greatly. A sincere thank-you from the junior class goes to all those involved with acting, lighting, costumes, make-up, tickets and all the other little details involved.

Robert Bajema built the entire set for the play and also created the lighting scheme. He created numerous things and a real old-fashioned water pump was among them.

Mr. McKernon again put so much time and effort into making this play a success, the juniors would like to thank him especially. Thanks for your time, your worrying and the successes you have given to the students of Lynden High.

This year has been passing so fast. The day when I heard from A.F.S. that I was coming here seems just like yesterday. I remember how excited I was, and how hard I tried to find Lynden on the map. (I couldn't find it though.)

There seems to be so many things that occur to me, and I won't be able to write all of them down. This year has been a greatest experience for me throughout my life, and I have learned really so many things. I like Lynden very much. I am a city kid. I was born and grew up in the world's largest city which has more than four thousand times more people than Lynden. So the most different and charming thing I felt about Lynden is the nature. You wouldn't believe that I had never petted cows and horses before I came here. The clear air, green field with cows and horses, the gorgeous mountains; well, everything looks just like a picture. Even the only bad natural phenomenon, too much rain has overcome me.

Of course, attending school as a student added a lot more. Being a part of LHS made me many nice friends, and great memories. But as you may know, I am actually very shy, and very sorry that I didn't get to know all of you well. But I still feel very fortunate that I could go to Lynden High instead of a bigger school. You have always been very friendly and nice to me. But just after I got to know you better, now, I have to leave. The unforgettable trip to eastern Washington. You will never forget that I fell asleep during the film at the Rocky Reach Dam. How will I just leave here, and forget about you and the things I have done with you. Of course, I won't. I will always remember you, and come back as soon as I can to visit you. Then please remember me, and be as friendly as you have always been to me.

I thank all of you for having me for this past year. And special thanks to the A.F.S. chapter, and of course, to my loving family, the Lewises.

I will never, never forget you!

Rinko Tomishige

Senior Class President Mary Likkel measures Rinko for her graduation cap and gown.

"Clasp Hands and Know

Hey Waltraud, who are YOU trying to hide from?

Rinko is making a paper-
class.

Rinko and Waltraud complete one year in the American school system, and graduate with the senior class of 1972.

The Lynden AFS club really prospered this year, with Mr. Springer as advisor, and Jan Kittleson as president. They threw surprise birthday parties for both foreign exchange students, Waltraud Wagner and Rinko Tomishige. Throughout the year, they sponsored dances, and sold stationery and Christmas cards.

In the spring, the AFS club sponsored an international dinner, which consisted of casseroles, desserts, and bread from many different countries. At the end of the year, they held a farewell party for Rinko and Waltraud.

Two Lynden High School students, Sue Springer, and Brent Francisco are nominees for a foreign exchange program in some foreign country this coming summer or next school year.

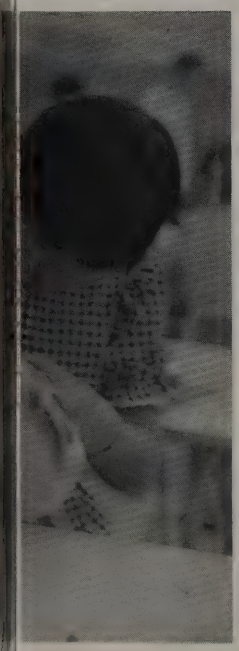
the Thoughts of Men in Other Lands"

John Masefield

Coming from Nurnberg, Germany, an urban area of more than half a million people, I found Lynden to be a completely different experience from anything I had ever known. The things that I saw and learned both in and out of school gave me first-hand experience with the American system. I especially want to thank all the friends who helped me get acquainted and learn new ways, and made me feel at home. I really enjoyed my year here in Lynden. It is hard to say good-bye. I hope to see some of you in my own country soon.

Auf Wiedersehen! in Germany!

Waltraud



nache crafts

Waltraud seems to enjoy her time in hobbyshop.

WE CAN'T BELIEVE WE

As the Annual Staff began working on the 1971-72 Annual, they desired to present the student body with a distinctly different "Simba." Often our plans led us down dead end roads, but with the unrelenting help of countless friends and professional people, we managed to accomplish our goal. Maybe this annual doesn't look especially different to you, but for us it represents hard work on Saturdays, Holidays, and part of our summer vacation. We were constantly thinking about cameras, film, and had to be aware of all school functions so that pictures could be taken.

We would like to thank our professional photographer, Russ Clift. Your top quality pictures and welcoming service helped to make our yearbook one of the best. And to Ginnie Shea for helping to develop pictures when our deadline was near.

Mr. McAuley, and Miss Lambert, thank you for your unwavering interest in our activities and your faith in our judgments.

To our photographers Rocky Ross, Debby Lewis, and Mary Likkel, thank you. Without your endless time spent in taking candid shots, this book would have failed.

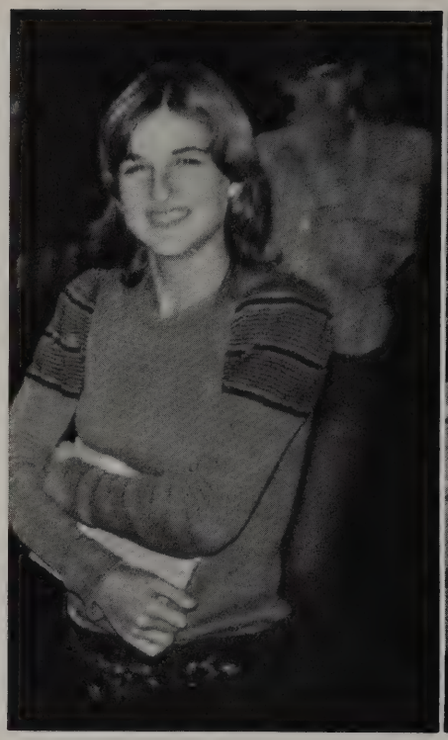
A thank you also to the Lynden Tribune for letting us use some of your pictures, and to Jan Kittleson for doing the art work on the annual.

Sally, Lois, Jeff, and Krism we expressively thank you for many hours of work involved in the producing of this book.

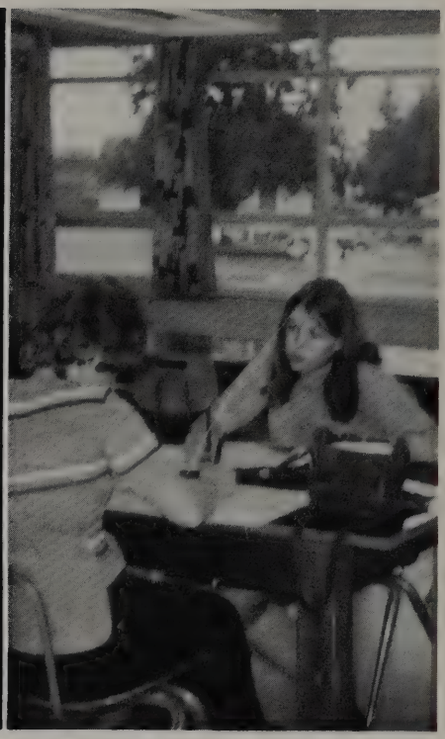
A special thanks goes to all our friends, both at home and at school, who have assisted us in many small, but noticeable ways.

Since our share of this yearbook is finally finished, we turn the results over to the students of LHS. Happy reading and may God bless and be with each of you.

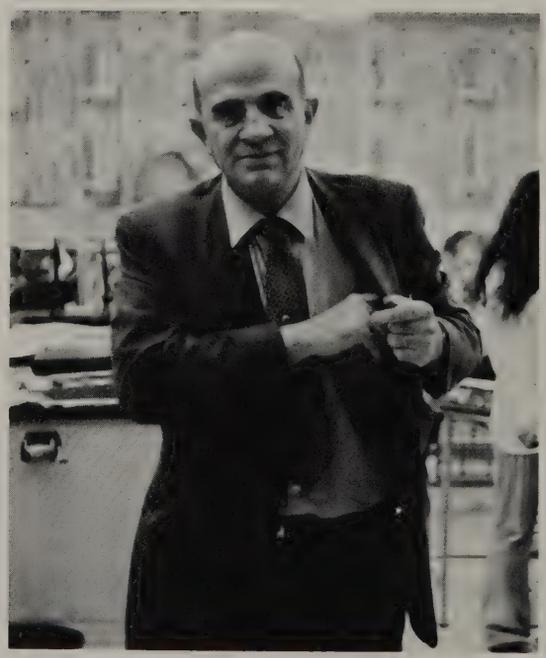
Karen Nieuwsma
Nancy Langstraat



Debby helped us by taking pictures and developing film.



Sally and Karen discuss layouts.

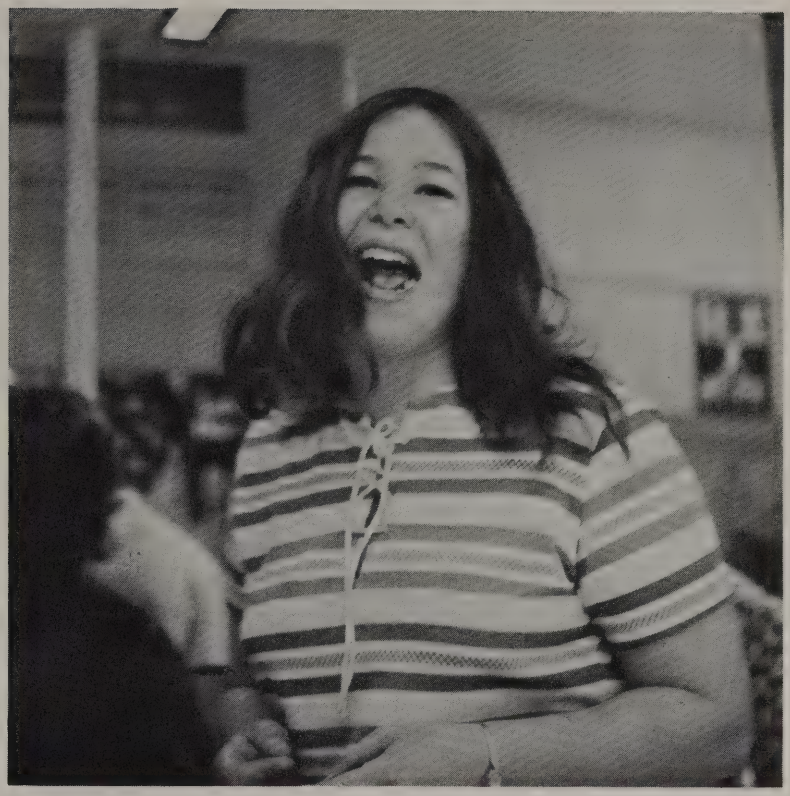


Mr. Nix, PHOTOGRAPHY ADVISOR, earth science, Record keeping.

Mr. McAuley and Mr. Durham look over the plans for the annual, while Lois Kornelis, Waltraud Wagner, Karen Nieuwsma, and Nancy Langstraat look on.

DID THE WHOLE THING!

Don't fret, Mary!



"Karen, I got my pages finished!!!"

Miss Lambert, Annual Staff Advisor.

Rocky Ross took a lot of good pictures for us.

Good times should be made to last.
Haste, that notorious enemy of memories,
turns awareness into forgetfulness
And, momentous experiences are over
almost before they've begun.

Fun times, unique times
become lost times....
unless they achieve immortality
between the covers of a book.
Some say yearbooks can make
time stand still.
They can.
The 1971-72 staff hopes that
this SIMBA does just this.
